G. P. VANDIVER, ED. AND PROP.

KEYTESVILLE, - MISSOURI.

Entered at the Post-office at Keytesville, Mo., as second-class matter.

## Courier Points.

The kiss that burns is the car-  
ess of a scorpion.

Man's affection can be measur-  
ed in square meals.

Wine is a contagious lie for the  
lips that it touches.

Ear-rings are still the fashion  
with telephone girls.

The man who tries to cheat  
death pays twice over.

The man that cannot be ruled  
by some women cannot rule men.

A young fool has a chance to  
outgrow it; the old one doesn't.

The spendthrift can easily  
make a \$10 bill look like 30  
cents.

Nowadays fathers pride them-  
selves on being a block of the  
young chip.

Making love doesn't require  
much brains, but it uses up a lot  
of energy.

Maybe there is some use for  
big sisters' little brothers in the  
next world.

The wise woman binds a man  
to her when she makes herself  
his companion.

The great trouble about private  
theatricals is that they become a  
public nuisance.

The thing about which people  
are most generous in giving is  
the cold shoulder.

If silence is golden the woman  
who is deaf and dumb must be  
twenty-four carats fine.

Brunettes can change to  
blonde, but the red-headed girl  
is got to stay right where she is.

Most anyone can forgive a  
peccadillo except the man who  
says there is nothing to forgive.

Some men get married so as to  
be able to stop giving presents  
to the girls they are engaged  
to.

No woman feels that she has  
truly lived unless she has ex-  
perienced the joys of a broken  
heart.

A man trusts no woman save  
her he loves and he is trusted  
by all women save those who  
love him.

A woman would rather be  
tyrannized by the man she loves  
than tyrannize the man she  
doesn't love.

The right kind of wife sets out  
to save all the money her husband  
squandered on her when they  
were engaged.

The financial panic which hits  
a man in wall street is nothing  
compared to what he gets into  
when he is engaged.

Women can easily believe that  
there never was an Adam or  
Eve, since they have been taught  
to believe that Eve did not wear  
clothes.

Beware of the man who says  
he likes you because you are  
not afraid of him. You are the  
man whom most of all he would  
like to make afraid of him.

My little son had an attack of  
whooping cough and was threat-  
ened with pneumonia; but for  
Chamberlain's Cough Remedy  
we would have had a serious  
time of it. It also saved him  
from several severe attacks of  
croup.—H. J. STRICKFADEN, ed-  
itor of World-Herald, Fair Ha-  
ven, Wash. For Sale by Rich-  
ardson Drug Co.

How to Avoid Trouble.

Now is the time to provide  
yourself and family with a bottle  
of Chamberlain's Colic, Cholera  
and Diarrhoea Remedy. It is  
almost certain to be needed be-  
fore the summer is over, and if  
procured now may save you a  
trip to town in the night or in  
your busiest season. It is every-  
where admitted to be the most  
successful medicine in use for  
bowel complaints, both for chil-  
dren and adults. No family can  
afford to be without it. For sale  
by Richardson Drug Co.

It is said that the 25-cent-a-  
bushel tariff imposed on wheat  
imports benefits the American  
farmer. But does it? It pre-  
vents Canadian wheat from com-  
ing to this country, and the 50-  
000,000 surplus bushels of Canada  
go to foreign mills instead of  
American ones, as would be the  
natural course. Then the com-  
petition of Canada wheat with  
ours in foreign markets controls  
and lowers the price of ours there  
and the demands of the foreign  
markets control prices here be-  
cause we are large exporters.

## Caution!

This is not a gentle word—but  
when you think how liable you  
are not to purchase for 75c the  
only remedy universally known  
and a remedy that has had the  
largest sale of any medicine in the  
world since 1365 for the cure and  
treatment of Consumption and  
Throat and Lung troubles without  
losing its great popularity all  
these years, you will be thankful  
we called your attention to Bos-  
chee's German Syrup. There are  
so many ordinary cough remedies  
made by druggists and others that  
are cheap and good for light colds  
perhaps, but for severe Coughs,  
Bronchitis, Croup—and especially  
for consumption, where there  
is difficult expectoration and  
coughing during the nights and  
mornings, there is nothing like  
German Syrup. Sold by all drug-  
gists in the civilized world.

With adjournment almost at  
hand it looks more than ever as if  
the present Republican congress  
made capital of a repeal of the  
war revenue taxes with the single  
purpose of forestalling a general  
revision and reduction of tariff  
schedules.

DELEGATE SMITH of Arizona  
thus epigrammatically character-  
izes Mr. Grosvenor of Ohio, one  
of the Republican party leaders:  
"He preserves consistency by  
being always in the wrong and  
an even temper by being always  
mad."

## Filthy Temples in India.

Sacred cows often defile Indian  
temples, but worse yet is a body  
that's polluted by constipation.  
Don't permit it. Cleanse your  
system with Dr. King's New Life  
Pills and avoid untold misery.  
They give lively livers, active  
bowels, good digestion, fine ap-  
petite. Only 25c at Gaston's  
drug store.

MR. CARNEGIE makes no pre-  
tensions to statecraft, but he has  
what is commonly known as  
"horse sense." The present  
state of affairs in the Philippines  
shows that "horse sense" was  
needed at the inception of the  
expansion idea when Mr. Car-  
negie offered the United States  
\$20,000,000, the price paid to  
Spain, to keep out of the Philip-  
pines.

## Hot Weather Weakness.

If you feel fagged out, listless  
and lacking in energy, you are  
perhaps suffering from the de-  
bilitating effects of summer  
weather. These symptoms in-  
dicate that a tonic is needed that  
will create a healthy appetite,  
make digestion perfect, regulate  
the bowels and impart natural  
activity to the liver. This, Her-  
bine will do; it is a tonic, laxative  
and restorative. H. J. Freegard,  
Prop., Grand View Hotel, Choney  
Kas, writes: "I used Herbine for  
the last 12 years, and nothing  
on earth can beat it. It was re-  
commended to me by Dr. New-  
ton, Newton, Kan." 50c at H.  
M. Sigloch's.
